ABOUT MICHELL

Michell F. Pulliam spent over 25 years as a full-time minister, mentoring and motivating women. Approaching midlife, she discovered her true passion and purpose, and today she's fully living her life's work.

Michell is a writer and mindset coach for midlife women. She's the author of *Real Talk* (2016), *The Roots of Roswell* (2021), *Bliss*, and her latest book, *Rooted*. She's also the creator of *The Doing You Well Signature System™*, a coaching framework for personal and professional growth, and owns a digital copywriting agency.

Her mission is to empower women—especially those in midlife—to dream again and walk boldly in their God-given purpose. Michell inspires women to embrace their full potential, proving that there's no age limit on becoming the real you.
